SOAR TO YOUR HIGHEST POTENTIAL

Be Ready to Win – Go for the Gold

Excel to Excellence Fundraiser

May 6, 2024

Dear Sponsor,

As you know, investing in our communities' children pays dividends that compound from generation to generation. We are asking for your support again this year. Our annual fundraising event will be a dinner and fashion show at The Olde Mill Inn in Basking Ridge on Monday, May 6, 2024, with a cocktail hour beginning at 5:30pm. You are cordially invited to join us. Your support makes a massive difference to the success of this event and our programs.

Mission and Vision

Our aim at **Platinum Minds** is to help talented and deserving young men break the cycle of poverty. Together we can give these young men a shot that would allow them to positively take care of their future families and contribute back to society.

Proven Effectiveness of Your Support

Platinum Minds is in its seventeenth year with proven programs for success. Our scholars are graduating high school with mostly A and B averages. 98% are going to college with earned scholarships and are model representatives of their communities. Our focus is narrow, yet our work is impactful. We have enclosed a listing of our programs for your review.

Acceptance & Scholar Requirements

To be accepted into our program, families must be supportive, and the students must be committed to academic excellence. We intend to invest our efforts in deserving young men who will someday have the ability and desire to give back to the community and mentor future **Platinum Minds** scholars. More than ever, we need to support communities hardest hit by the Pandemic, and with your help, we can provide hope and supportive resources where they are needed most.
